November 2023

Dear Valued Supporter,

The Seneca Valley Swimming & Diving Boosters is an 501 (c)(3) organization located in your community comprised of parents who support not only the Seneca Valley Swim & Dive team, but swimming and diving in general throughout Western Pennsylvania. Each year the Boosters organization relies on local industries and businesses to supplement our fundraising activities. Through the generosity of our business supporters like you, the Boosters have been successful in raising funds to help defray costs for items such as training and meet equipment, Senior Night, and our end-of-the-season banquet.

As a pillar of our community, we would deeply value your participation as a supporter of our continued fundraising efforts. In return for your support and generosity, we offer some publicity, recognition, and advertising opportunities for you and your organization. Our various advertising options are outlined in detail on the attached Sponsorship Ad Form. We have a new aquatic center where we hope to proudly display your sponsorship.

Last season our team had over 20 athletes compete in the WPIAL AAA Championship meet where we claimed numerous top 8 finishes. Our SV girls team claimed 4th place and our SV boys captured the runner-up title. Many of those swimmers and divers then moved on to compete in the PIAA State Championship where we had several All-State & All-State Honorable Mention swimmers and divers place in the Top 16. Without the support of businesses like yours, our team could not continue to promote our community as they travel throughout the state. We appreciate your time and consideration.

Warm Regards,

Trent Wilson
Sponsorship Program Administrator
